Innovative Façade Solutions

# INTRODUCTION

---

- Façade India Group Company
- FITI Panel Member with NBC
- 15 Yrs Testing – Design – System
- 150 + Satisfied Clients & Exports
- DNA – Innovation & Differentiation
- Patents / IPR – Many Patents & IPR
- Product Portfolio - 92% For Building facades

# INTERNATIONAL PRESENCE

---

- Façade One International FZ LLC Dubai
- Façade One International Swiss
- Façade One International USA
- Representative Newzeland
- Representative Australia

# VISION

---

- We aspire to be among leading International companies in façade and fenestration products through innovative, robust and sustainable design solutions.
- We continue to develop a culture of innovation in the organization and innovate architectural concepts and products of next generation to convert architectural vision in to reality.

# MISSION

---

- Year 2029 to Become 1.5 Billion \$ Group
- Company shall provide freedom to Innovate & perform, training to enhance skills and competence of employees.

# INFRASTRUCTURE INDIA

---

- Design office - 12000 sq.ft
- Organization – 100 + Designers and Support functions
- R & D center spread over 150,000 sq.ft land
- Asia's largest Test Laboratory

# DESIGN SOFTWARE

---

- Autocad version 2017 ( 2D / 3D )
- Athena software – Curtain wall design
- Staad pro V8i – Structural analysis
- S J MEPLA – Glass design
- REVIT – Beam modeling
- ECOTECT – Building physics
- FLIXO Thermal analysis
- 3D Max & Lumion – 3D Modeling & Rendering
- Orgadata – Estimation , Optimization & Fabrication
- Rhino + Grass hopper – Free form designs
  
- 3D Printer – 3D Object printing

# PRODUCT MANUFACTURED

---

- India
- Dubai - GULFEX

# PREMIUM PRODUCTS

---

- AS 300 - ENTRANCE GLAZING
- ENERGY EFFICIENT CURTAIN WALLS &
- DOUBLE SKIN
- BOMB BLAST RESISTANT FAÇADE -15 & 120 Kpa
- SWISSCLAD WALL CALDDING FIRE CLASS A1
- DYNAMIC FACADES
- PANORAMA SLIDING WINDOW & CASEMENTS
- ARCHITECTURAL LOUVERS
- SEAMLESS RAILING & BALUSTRADE RAILING
- SWISS SCREEN – 3D SCREEN
